For immediate release:

Bi-Annual Shred Day for the Town of Thompson

The **Town of Thompson** along with The Rock Hill Healthmart Pharmacy and Pavese's Service Station is sponsoring our bi-annual shred day on ***Saturday October 15, 2016 from 9:00 am to Noon*** in the parking lot of the Town of Thompson Town Hall (Near Home Depot).

Town of Thompson individuals and businesses can bring a limit of 2 large (legal size) boxes, of documents you wish to have destroyed. Please respect the 2 box limit.

Supervisor Rieber said "This is the perfect opportunity to clean out your home office or garage and securely dispose of your personal papers. This free event not only gives our town residents the chance to protect themselves against identity theft and fraud but also encourages people to recycle more. We are pleased to offer this benefit at little cost to the taxpayers thanks to the generosity The Rock Hill Healthmart Pharmacy and Pavese's Service Station. Members of your Town Board will be there to assist you.
