For immediate release:

Town of Thompson Day Camp

The **Town of Thompson Town Board** along with the **YMCA of Middletown** is sponsoring our Summer Day Camp program from June 29th through August 14th at the Town of Thompson Park. Camp is available on a first come first served basis at a nominal cost of $225.00. Space is limited. If money is a serious issue please contact this office directly. We want no deserving child left out and will do our best to assist.

Supervisor Rieber said "Our Summer Camp program is a wonderful opportunity for our children to learn, have fun and interact. It is also a full day program allowing parents the time to work a full day knowing their children are safe."

William J. Rieber, Jr.
